Highway 12-Jameson Canyon Four Nights of Full Highway Closures Now Scheduled

NAPA AND SOLANO COUNTIES – The California Department of Transportation (Caltrans), the Solano Transportation Authority (STA), and the Napa County Transportation and Planning Agency (NCTPA) are continuing earthwork and removing steel plates on the roadway in preparation of widening Highway 12 through Jameson Canyon in Napa and Solano Counties.

One-Way Traffic Controls-August 6th-August 11th

To ensure worker and public safety, one-way traffic controls will be in effect on Highway 12 between Highway 29 and Red Top Road beginning Monday, August 6th at 10 p.m. and be completed on Tuesday, August 7th at 5 a.m.

During one-way traffic controls, one lane of traffic will remain open at all times with flaggers alternating eastbound and westbound traffic. All work is weather permitting.

Full Overnight Highway Closures-August 7th, 8th, 9th and 10th

In addition, four nights of full highway closures on Highway 12 between Highway 29 and Red Top Road are now scheduled. The full highway closures are scheduled on Tuesday, August 7th, Wednesday, August 8th, Thursday, August 9th and Friday, August 10th. Closures will start each night at 10 p.m. and conclude the following morning at 5 a.m.

Highway 12-Jameson Canyon Detour

During the overnight highway closure, eastbound Highway 12 motorists are advised to use southbound Highway 29 to eastbound Highway 37 to eastbound Interstate 80. Westbound Highway 12 motorists should use westbound Interstate 80 to westbound Highway 37 to northbound Highway 29.

Local access is available for Jameson Canyon residents and emergency vehicles only. The California Highway Patrol (CHP) will help direct motorists. Caltrans will also install changeable message signs. Motorists should allow for extra travel time.

Additional project information is posted on the Caltrans' Highway 12-Jameson Canyon webpage at: <http://www.dot.ca.gov/dist4/12jamesoncanyon/>
